

ARCHAEOLOGY (ARKE)

ARKE 395 Independent Study 1-3 Credits

Course may be taken multiple times up to maximum of 6 credit hours.

ARKE 396 Topics: 1-3 Credits

Course may be taken multiple times up to maximum of 15 credit hours.

ARKE 466 Field Research in Archeology 6 Credits

Exploration of modern archaeological practice. Over six weeks, students will take part in archaeological field research including excavation, survey, mapping, and occasionally rock art recording. Field trips to significant western Colorado sites will be taken.

Prerequisites: ANTH 420 and ANTH 420L.

Terms Typically Offered: Summer.

ARKE 467 Archaeology Lab Methods 3 Credits

Introduction to techniques of laboratory cataloging, artifact analysis, and technical report writing. Photography, special sample preparation and other ancillary topics will also be discussed. Students must have completed ARKE 466 during the previous summer because they will be working with artifacts and other materials recovered during that course.

Prerequisites: ARKE 466.

Corequisites: ARKE 467L.

ARKE 467L Archaeology Laboratory 1 Credit

Lab component for ARKE 467.

Prerequisites: ARKE 466.

Corequisites: ARKE 467.

ARKE 496 Topics: 1-3 Credits

Course may be taken multiple times up to maximum of 15 credit hours.

Fees: Yes.

ARKE 499 Internship 1-12 Credits

Course may be taken multiple times up to maximum of 15 credit hours.
