Course may be taken multiple times up to maximum of 15 credit hours.

POLS 201 Introduction to Political Inquiry3 Credits
Introduction to major tools of investigation in the study of politics. Examination of modern scientific research design and methods. Additional emphasis on discipline-specific skills in critical thinking, information literacy, writing and citation mechanics, and oral communication.

POLS 236 State and Local Government3 Credits
Theories of state formation and constitutional development, city charters, county government, and intergovernmental relations with emphasis on Colorado.

POLS 261 Comparative Politics-GTSS13 Credits
Introduction to conceptual models and approaches utilized in the comparative study of nations and their politics. Application of these theories to selected democratic, communist, and developing political systems.

Essential Learning Categories: Social and Behavioral Sciences
Colorado Guaranteed Transfer (GT) Pathways General Education Curriculum

POLS 270 World Politics3 Credits
Introduction to structures, processes, and behaviors shaping world politics. Emphasis on states and their interactions as well as non-state actors and cultural, economic, and environmental forces shaping an emerging world community.

Essential Learning Categories: Social and Behavioral Sciences
POLS 324 The Legislative Process3 Credits
A study of the legislative process emphasizing the U.S. Congress. Attention will be given to the development of legislative systems, the operation of legislatures, the election of legislators, and a comparison with legislatures in other national states.

Prerequisites: POLS 101 or permission of instructor.

POLS 325 The American Presidency3 Credits
A study of the American chief executive, emphasizing the historical development of the office, the various functions of the modern chief executive and a brief comparison with the executive officer of other national states.

POLS 328 The American Court System3 Credits
The American court system; local, state, and national, including consideration of the impact of prosecutors, defense personnel, judges, and other factors on court decisions and the criminal justice system.

Prerequisites: POLS 101 or CRMJ 201.

Equivalent Course(s): CRMJ 328

POLS 342 Public Administration3 Credits
Historical development of public administration including organizational structure and theory, management, personnel administration, fiscal administration, and administrative responsibility.

POLS 351 Public and Elite Political Behavior3 Credits
Behavior of elected officials and the public in American politics. Achievement of power and how actions are evaluated via public opinion and voting. Role of media in American politics explored.

Prerequisites: POLS 101.

POLS 352 Religion and Politics3 Credits
The interactions of religion and politics in the United States, several liberal democracies and within international relations.

POLS 353 Politics of Human and Natural Resources3 Credits
Study of politics and public policy surrounding natural resource allocation, preservation, development and consumption by human social systems. Emphasis on challenges of public policy formation and implementation in areas of land, water, energy, minerals, food and habitat at domestic and global levels.

POLS 354 Political Geography3 Credits
Exploration of ways in which physical landscapes shape political attitudes, ideas, and institutions. Emphasis on key concepts of place, mapping, borders, territory, nationalism, and ecological and social impact of natural settings.

Equivalent Course(s): GEOG 354

Terms Typically Offered: Fall.

POLS 356 Indigenous Politics3 Credits
Study of interactions between the state and various indigenous peoples around the world. Internal political structure and practice of selected indigenous groups and the role of indigenous nations in global politics.

POLS 366 Government and Politics of Asia3 Credits
Study of political systems of China, Japan, Korea, India, and Indonesia. Emphasizes political development, sources, processes, and evaluation of policy making, and contemporary challenges facing these countries.

POLS 372 Peace and Conflict Studies3 Credits
Interdisciplinary study of nature and causes of conflict, conflict resolution, and foundations of justice and peace. Analyzes historical and contemporary conflicts, both civil and international, and examines how evidence and theory are used to understand peace and conflict.

POLS 373 Global Politics of Women and Gender3 Credits
Analysis of women and gender in global security and the global political economy. Topics include violence and war, transnational activism, migration, development, human rights, sex work, and domestic work. Examines contemporary case studies, how evidence and theory are used to explain the gendered nature of global security and economic systems.

POLS 395 Independent Study1-3 Credits
Course may be taken multiple times up to maximum of 6 credit hours.

POLS 396 Topics1-3 Credits
Course may be taken multiple times up to maximum of 15 credit hours.

POLS 399 Internship1-3 Credits
Course may be taken multiple times up to maximum of 15 credit hours.
POLS 412 Constitutional Law3 Credits
An analysis of American constitutional theory as articulated by the U. S. Supreme Court. Specific topics include the nature of judicial review, the powers of the President and Congress, federalism, the regulation of commerce and the development of substantive due process.
Prerequisites: POLS 101 or permission of instructor.
Equivalent Course(s): CRMJ 412

POLS 452 Political Theory: Classical and Medieval3 Credits

POLS 453 Political Theory: Modern3 Credits

POLS 462 Public Policy: Theory and Practice3 Credits
Overview of theory and practice of public policy making and implementation. Examination of participants and stages of public policy making. Analysis of success/failure of controversial public policies. Topics may include healthcare policy, drug policy and welfare.

POLS 471 Politics of Global Governance3 Credits
Analysis of management of world politics and economics by networks of states, international and regional organizations, and non-state participants. Includes human and environmental security, human rights, global health, organized crime, global political economy, and development. Examines successful and unsuccessful problem management in a globalized world.
Prerequisites: POLS 270.

POLS 472 International Political Economy3 Credits
Analysis of origins, evolution, and trajectory of global political economy. Includes international regulation, trade, finance, and monetary systems, as well as development, foreign aid, migration, organized crime, and resource extraction. Explores theory and evidence used to explain global economic developments.
Prerequisites: POLS 270.

POLS 475 American Foreign and National Security Policy3 Credits
American foreign and national security policy with emphasis on 1945 to the present and beyond. Foreign and domestic factors shaping policy, the mechanisms and dynamics of policy making, the role of perception and motives underlying decision and action, and case studies of historical crises and contemporary debates are examined.

POLS 482 International Relations Theory3 Credits
Study of the major theoretical approaches to international relations and global politics. Special emphasis placed on foundational concepts such as the state, sovereignty, governance, borders, and emerging issues of identity, non-state participants, and human security.
Prerequisites: POLS 270.

POLS 488 Environmental Politics and Policy3 Credits
An introduction to the political issues and problems associated with patterns of socio-economic growth and its environmental impact at both domestic and global levels of analysis.

POLS 490 Senior Seminar for Political Science3 Credits
Arranged tutorials and seminars with political science faculty and students, design and execution of a research project, and submission of a senior thesis.
Prerequisites: POLS 201 and senior standing.

POLS 495 Independent Study1-3 Credits
Course may be taken multiple times up to maximum of 6 credit hours.

POLS 496 Topics1-3 Credits
Course may be taken multiple times up to maximum of 15 credit hours.

POLS 499 Internship1-15 Credits
May be performed in areas relating to Political Science, such as civic, political, or legal. Internships will be conducted in Mesa County, the Denver legislature, or in Washington, D.C.
Prerequisites: Junior or senior standing.
Course may be taken multiple times up to maximum of 15 credit hours.

POLS 501 Theories of Political Science3 Credits
Graduate-level introduction to theoretical approaches in political science. Topics will include basic issues in the philosophy of social science, as well as theoretical frameworks that cut across the sub-fields of the discipline: rational choice, social constructivism, institutionalism, Marxism, feminism, and post-structuralism. Approaches unique to the three major subfields of comparative politics, international relations, and political philosophy will also be covered.
Prerequisites: Admission into Social Studies Graduate Certificate Program.

POLS 505 American Government3 Credits
Graduate-level introduction to the foundations of American government. The course will cover major readings and theories in American government. Topics include American political development, institutions (Congress, presidency, judiciary), political behavior (public opinion, voting and elections, political parties and interest groups), and public policy.
Prerequisites: Admission into Social Sciences Graduate Certificate Program.
