This catalog is designed to assist all types of students - those considering college for the first time, those thinking of transferring from a community college or four-year institution, and those already attending Colorado Mesa University - in choosing the program of study that best fits their aspirations and goals. It includes information about admissions guidelines, financial aid, and academic requirements to allow students to make educated decisions about their futures. This catalog also describes aspects of student life at CMU, opportunities for personal growth outside the classroom, and procedures and policies pertinent to a student's success at CMU.

For those thinking about applying to Colorado Mesa University, the following steps may be helpful:

1. Review the Areas of Study (<http://catalog.coloradomesa.edu/areas-study>) offered at Colorado Mesa University, and select disciplines that fall within an area of interest. From here, programs offered within each discipline can be reviewed.
2. See the Programs A-Z (<http://catalog.coloradomesa.edu/programs>) section or link to a program listed in the chosen discipline(s) in Areas of Study (<http://catalog.coloradomesa.edu/areas-study>) for details on each specific program of interest. Program pages provide detailed program requirements, suggested plans of study, and contact information.
3. Look up course descriptions (<http://catalog.coloradomesa.edu/course-descriptions>) for some of the courses listed in the program requirements. Courses that fulfill the CMU essential learning degree requirements are provided under Requirements for Baccalaureate Degrees (<http://catalog.coloradomesa.edu/requirements-undergraduate-degrees-certificates/requirements-degrees/baccalaureate/essential-learning>).
4. Finally, once programs of interest have been selected, see Undergraduate Admission Information (<http://catalog.coloradomesa.edu/undergraduate-admission-information>) or Graduate Information and Programs (<http://catalog.coloradomesa.edu/graduate-information-programs>) to learn more about the application process and requirements; Tuition, Fees, Residence Life and Student Accounts (<http://catalog.coloradomesa.edu/tuition-fees-residence-life-student-accounts>) and Scholarships and Financial Aid (<http://catalog.coloradomesa.edu/scholarships-financial-aid>) to learn more about tuition, expenses, financial aid, and housing; and Academic and Student Services, Offices and Activities (<http://catalog.coloradomesa.edu/academic-student-services-offices-activities>) to learn about student academic support, activities and services at Colorado Mesa University.
