CONFIRMATION OF ATTENDANCE

Incoming students will be sent information about their next steps after they receive their admission. Enrollment details include important dates, housing information, cost of attendance, financial aid, class registration, and campus arrival.

As soon as a student decides to enroll at Colorado Mesa University, they should log in to MAVzone and pay the $50 enrollment confirmation deposit. This deposit will be applied directly towards a student’s first semester of expenses. If a student decides not to attend, please notify the Admissions Office. The deposit will be refunded if the student has withdrawn from all courses for which they registered prior to the end of the add/drop period.
