Costs, additional information, and forms may be obtained from the International Students (<https://www.coloradomesa.edu/admissions/requirements/international>) website.

## International Transfer Student Information

International transfer students with college credit from an institution outside the United States must provide the appropriate official, professionally evaluated transcript of courses (or grade reports, exam results, degree awards, etc., depending on the standard of the particular country) before transfer credit can be determined. Please see International Students (<https://www.coloradomesa.edu/admissions/requirements/international>) for more information on approved foreign transcription evaluation options. In most cases, course descriptions or syllabi are required to determine content of individual courses. Should a student decide to begin their degree from the beginning at CMU, a professionally evaluated transcript is not required.
