

ADMISSION OF TRANSFER STUDENTS

The tables below provide guidance for transfer student applicants. To use these:

- Select the table that applies to the number of college-level semester credit hours you have completed/attempted post high school graduation.
- Select your applicant category in the top row of the table.
- Review the documentation requirements listed below your applicant category. The row on the far left indicates the documentation category, and the text below your applicant category indicates whether or not these need to be submitted with your application.

Applicants 23 years of age or older and/or who have been out of school for a minimum of five years and who are seeking undergraduate admission will not be held to the minimum first-time student and/or transfer student GPA admission standards. See details regarding admission of adult students.
